

## FSU Training 2025

Develop your skills in strengthening  
our union

Organising Training

### Course Aims:

1. To develop the organising knowledge and skills of participants;
2. To help participants develop their own skills to guide members to help strengthen the union;  
and
3. To listen to feedback from you so we can strengthen our union to achieve better outcomes.

### Why Organise?

Our objective is to grow our membership base. We will achieve this through an organisation-wide focus on recruitment and organising, encouraging, and empowering members **to act collectively to improve their working conditions**, while strengthening the union to achieve more in the future.
